Programming & Web : Java, Python, PHP, JavaScript, C++, C , R, HTML, CSS, React.js

Frameworks & Libraries : Flutter, Bootstrap, jQuery, ASP.NET Pandas, NumPy, Matplotlib,

Databases : MySQL, MariaDB, MongoDB

Tools & Technologies : GitHub, VS Code, XAMPP, Power BI, Eclipse, Google Colab, Postman

Other Skills : Microsoft Excel, Tally Prime

EDUCATION

St. Xavier's College, Mumbai

BSC - Information Technology (IT)

JULY 2023 – APRIL 2026

CGPA : 8.07

D.G. Ruparel College of Arts, Science and Commerce, Mumbai

12th (Science)

MARCH 2023

Percentage : 57.67

Nutan Vidya Mandir

10th

MARCH 2020

Percentage : 87.80

PROFESSIONAL EXPERIENCE

Flutter Developer Intern at Visanka Technology

APRIL 2025 – MAY 2025

- Developed and maintained features in a real-time Flutter application.
- Implemented UI components, fixed bugs, and integrated RESTful APIs.
- Collaborated with the backend team using PHP and MySQL to enhance app functionality.
- Worked on removing Firebase authentication and integrating a custom login system.
- Gained hands-on experience with Git, VS Code, and cross-platform app development.

PROJECTS

Certi-Nexa – Certificate verification Application

OCTOBER 2025 – MARCH 2026

Certi-Nexa is a decentralized application that allows organizations to issue, manage, and verify digital certificates on the blockchain. It provides a secure and tamper-proof way to store and share certificates, eliminating the need for traditional paper-based certificates.

CERTIFICATIONS & WORKSHOPS

- Power BI: Data visualization, dashboard creation, and business intelligence reporting.
- 100 Days of Code: The Complete Python Pro Bootcamp
- Master SQL for Data/Business Analytics – SQL queries, data handling, and business data analysis.
- AI Tools Workshop: AI-powered presentations, data analysis, and code debugging.
- Tally Prime: Accounting entries, financial statements, and tally operations.
- Microsoft Excel: Formulas, pivot tables, data analysis, and spreadsheet management.

ACHIEVEMENTS

- Developed Flutter applications, including a learning platform and a school/college management system.
- Completed a 1-month professional internship as a Flutter Developer.
- Worked on multiple academic and practical projects across various subjects, both individually and in teams.
- Skilled in modern development tools and emerging AI technologies.
